

## Acknowledgements

The editors would like to thank the contributors for their willingness to conform to the demands placed upon them by the editors. We also would like to thank the Royal Netherlands Embassy in Ankara for supporting us in the framework of the Netherlands, MATRA/KAP programme, Istanbul Netherlands consulate and Istanbul Bilgi University and Leiden University, the Netherlands.

We are very grateful to Consul-general Jan Giesen (ex) Dutch consul for support of the project. We would like to thank Nicole van Os for helping at the earlier conference work and Ida Petter at Leiden end.

Whilst every effort has been made to trace the owners of copyright material, in a few cases this has proved impossible and we take this opportunity to offer our apologies to any copyright holders whose rights we may have unwittingly infringed.
